

LILLESALL HALL GOLF CLUB

January 2026

We wish all our members and visitors a very happy and prosperous new year full of memorable social golf, competitions, opens and social events for all to enjoy.

We will be introducing more robots to work on the back 9 and through our policy of continuous improvement we plan to extend our drainage work where the poor weather has identified the key areas to work on.

England Golf Awards 2026

Mark and Lisa Shervill are an in demand professional coaching team who dedicate countless hours each week to outreach programmes that make golf accessible to people of all ages and abilities. Their innovative coaching pathway — built around Mind, Body, Play and Motion — supports participants from age six to 92, ensuring everyone can learn in a positive, adaptable environment. Their work with the British Legion Battle Back Centre has been especially transformative. After securing major sponsorship, they created a safe, covered coaching platform for severely injured and traumatised service personnel, now supporting around 400 participants each year. Through Crossbar Alternative Learning, they work weekly with 10 young people, using golf to build confidence, wellbeing and positive behaviours. Their school liaison programme engages two local schools, with 12 children actively involved. At club level, their impact is exceptional. Their Women into Golf programme has welcomed 187 women, with 135 becoming golf club members. Their junior pathway has supported 215 young players, leading to 45 new adult members, 10 county players, and five students progressing to US college golf. A further 47 parents have joined through junior coaching. Their outreach model is now seen as a blueprint for inclusive golf development.

The winners in each category will be announced on Tuesday 3rd March at the Manchester Deansgate Hotel. The evening will begin at 6,30pm with three courses of fine dining.

Membership Initiative

We will shortly be pushing a membership drive on social media using a new digital brochure, which we have developed, and alongside that as always, we will have the “Member brings Member” initiative. Members who introduce a new member will receive a £50 bar credit on their membership card. Do YOU know any prospective golfers? Then help promote our great club.

Social event dates for your diary

Within this year one or two social events have had to be cancelled due to low numbers, which is disappointing given the hard work that the social volunteers put in to make these events happen. As a result we are advertising some events externally to increase numbers. This worked well with the recent “Breakfast with Santa” and enjoyed by all who attended. As always, we can accommodate limited numbers so any members who would like to join in with future socials are encouraged to sign up early to avoid disappointment if the lists become full.

Quiz night is £10 per team with maximum of 5 persons per team, sign up at the bar

Lilleshall Hall Golf Club

Friday 27th February – 7pm START
